

Direct Contribution Authorization Form

What is a direct contribution?

Through direct contribution, your monthly gifts are made through a pre-authorized withdrawal from your bank account. You determine the date of your automatic gift and know that it is always there on time — no hassle, no worry.

What are the benefits?

Direct contributions are a reliable, safe way to move your stewardship plan into action. It allows you to share your gifts through planned giving. Because your gift is automatic, you save the cost for checks and stamps. Theresa's House will benefit from steady, more predictable revenues throughout the year.
